Ladder Systems

Product Description

FREE With Purchase of TACTICAL LADDER NOW FREE when purchased with any ladder.

The small but mighty All-Purpose Platform fits on the rungs of any Little Giant multi-use ladder and is rated to hold up to 375 lbs. Use it as a versatile tray for a paint bucket or tools, or use it as a sturdy, comfortable standing platform. Now you can stand on your ladder for extended periods without sore feet and bruised shins; you can work with both hands in any direction. This handy tool is perfect for holding anything from paint cans to adult persons with its comfortable vented surface. Easy to install and transport, the unique design allows it to conveniently tuck away when not needed. Stainless steel finish.

- Stand securely and comfortably on the work platform's broad surface (rated to hold 375 lbs.) at any safe height on the ladder - Maintain better balance, work from 360° freely with both hands, and finish your project in half the time - Use second work platform to hold your paint, tools or whatever you need to get the job done - Work platform also serves as a stabilizing spreader bracket for your Little Giant's trestle and plank scaffolding system

Approximate measurements:
