SKU: HDS4-P

Product Categories: [Hydraulic Entry Tools](#), [Vehicle Entry Tools](#)

Product Page: <https://ratools.com/product/ferretool-with-pump/>

Product Summary

Manufactured from high strength heat treated steel, the Ferret Tool takes on wood and steel frame doors. With just a few pumps from the 8,000 psi hydraulic pump the lockset and deadbolt are fully defeated.

- Great tool for quickly and quietly pushing the door away from the door jamb and opening inward swinging doors - Manufactured from high strength heat treated steel and aluminum - Just a few pumps from the 8000 lb. hydraulic pump and you're in [HDP4 PDF Data Sheet](#)
