Product Description Hydraulic Bolt Cutter - RatCutter™

This innovative high quality hydraulic bolt cutter quickly and quietly cuts through padlocks, chains, wire, and cable. Cutters are small enough to work in tight locations yet offers same cutting capacity as our full length cutters. Cutters come in two sizes, 30 inches and 36 inches.

Bolt Cutter can be ordered separately or with pump and 6' hose. Quick disconnect fittings allow user to switch hydraulic hose from entry tool to cutter quickly. Tool is designed for pressure up to 10,000 psi.

Can be ordered with our [tool retention clip and locking modular baseplate](#).
