### Product Description

## Telesteps 1600ET telescoping tactical ladder - TLX16 Telesteps 1600ET

This ladder weighs just 23 pounds!

Revolutionary 12.5 ft. subdued black telescoping tactical ladder is made from high quality aluminum alloys. It gives the user a 16 ft reach and retracts to a compact 32 inches in height and can be stored anywhere. This Telescoping Tactical Ladder 1600ET can be used at full extension.

Features fully automatic extension and retraction with a patented one touch release mechanism for ease of use. It is OSHA certified, and ANSI 14.2 tested with a 300 LBS Type 1A professional/contractor duty rating. Equipped with 100% silicone pivoting feet for safe grip on the substrate and elliptical tubes for strength, these are built with safety in mind.
