

# RatMaul™

The Rapid Assault Tools Breaching Maul is designed for maximum impact and durability, featuring a 7lb head optimized for delivering powerful strikes in breaching scenarios. Its composite handle, reinforced with a fiberglass core, offers exceptional strength while absorbing shock to reduce user fatigue during high-intensity operations. Ideal for breaking doors, barriers, and other obstacles, the maul combines rugged reliability with ergonomic efficiency, making it an essential tool for tactical breaching teams.

Part Number	Overall Length	Head Weight*
M20-7	20"	7 lbs
M24-7	24"	7 lbs
M30-7	30"	7 lbs

\*total weight varies by handle length
